For the past 67 years, this luncheon has raised much-needed funds for our transitional housing program for young women and their children at Turning Point, and summer camp alternatives for city children at Camp Happyland. The funds raised from the luncheon will support these two signature programs: sending children in need to Camp Happyland, a summer program for boys and girls, and support for Turning Point, a two-year transitional housing program for young women and children.

We would like your support by donating an item from your organization for this extraordinary event. We realize that you receive many requests for donations throughout the year, but this high-profile luncheon will give your product and your business visibility to an affluent group of men and women from our community who may not otherwise know about your business. Imagine having hundreds of people delight in your products and services, while simultaneously helping the less fortunate in our community!

We hope you will join us in helping our area's children and their families. For more information please see our website at www.SAWADC.org or call us at 202-756-2618. Contributions are deductible for income tax purposes to the full extent allowed by law. The Salvation Army is a 501(c)(3) charitable organization (FEIN 58-0660607).

In service,

Major Leisa Hall
Associate Area Commander

Susan Hayes Long
