Winter Wonderland

The Winter Season for Montgomery County, Maryland Corps, saw not only lots of snow but lots of smiles.

January 27, 2019 was our Community Care Ministry Sunday. Following Sunday Worship Service in Germantown, members of Corps Cadets and MoCo Brass Band performed and visited with the residents of Cadia Nursing Facility in Silver Spring, MD.

Approximately 50 blankets were distributed to the residents during the visit.

Volunteer Appreciation

February is traditionally the month of showing love to those who mean the most to us. Here at Montgomery County, our Volunteers hold a very special place in our hearts.

That is why we held a special Volunteer Appreciation Dinner in their honor on February 11th at the Montgomery County Corps off Aircraft Drive.

Special volunteer recognition was given to Jeanne Dugert, Hercules Twine Sr., and Cheryl Germany for their many countless hours of volunteer service at The Salvation Army in Montgomery County, Maryland.

Nourish Now

Our partnership with Nourish Now began in May and is continuing on a monthly basis. This partnership also for this food distribution to occur in Germantown at the Salvation Army. June 25th resulted in the largest turn out we have had to date. Many families were helped and able to benefit from the food provided.

As a culminating field trip special event, the group ventured to the Museum of the Bible on June 25th in Washington, DC. All had a great time!
